Re: Testimonial for Schedule Services by Precision Scheduling; Mr. Ruthvik Sattoor
Project: Edurado Mata Elementary School, Dallas, TX – Additions & Renovations

To whom it may concern:

I am writing to recommend the services of Precision Scheduling Consultants. Precision Scheduling has provided scheduling services for the Eduardo Mata Elementary School – Additions & Renovations from planning phase to the close-out phase.

Our scheduler, Ruthvik Sattoor has been exceptional with his Primavera P6 scheduling skills. He developed the performance measurement baseline schedule; monitored and controlled the schedule on a monthly basis; performed time impact analyses whenever the project encountered delays; and re-baselined the schedule as changes occurred. During the duration of the project, the monthly schedule updates performed by Ruthvik were an integral part of our success. Updates were always timely, and the narratives provided Imperial what we needed to keep subs moving in the right direction and provided us and the Owner with realistic expectations.

Our experience with Precision Scheduling was marked by high integrity and great quality. I feel confident in recommending Precision Scheduling for its scheduling and project control services.

Thank you.
